

ACE | AMERICAN
COLLEGE OF
EPIDEMIOLOGY

Committee-in-Focus: ASSOCIATE MEMBER COMMITTEE

About the Committee

The Associate Member Committee is comprised of a heterogeneous group of individuals training to become epidemiologists including persons with a Master's degree and field experience in epidemiology work, doctoral students, postdocs, and junior faculty members. All Associate Members in good standing are members of the Associate Member Committee. The Associate Member Committee is charged with leading the development, implementation, and progression of tasks and activities that promote the involvement of Associate Members within the College. This includes events at the annual meeting as well as ongoing activities throughout the year.

Leadership

Roxann Seepersad - Chair (2023-2025) roxsee108@cs.com

Latasha Allen - Vice Chair (2024-2026) allenlat@iu.edu

Charges/Goals/Focus

Leading the development, implementation, and progression of tasks and activities that promote the involvement of Associate Members within the College. This includes events at the annual meeting as well as ongoing activities throughout the year.
